

Sewing Classes

In our sewing classes, we use full sized sewing machines that we bring to your school for class. Sewing Machine Safety is taught to all students prior to beginning any projects. Classes are geared towards boys and girls in grades K-8. Some of the projects the students will make include:

- * Clothing
- * American Girl and Stuffed Animal Clothes
- * Polar Fleece Hats
- * Holiday Decorations

- We use full-sized Pfaff Sewing Machines
- All sewing machines are exactly the same, so the students will not need to learn how to thread multiple types of machines.
- Machine Safety is the **FIRST** thing we teach in the class!
- We keep all the unfinished projects for the week, so the students do not need to remember to bring items with them to class.
- All supplies needed for the class are provided in the cost.

We usually schedule classes for at least 1 1/2 hours, one day a week (always the same day)

Sessions are set up as 6 weeks or 8 weeks (special arrangements can be made to accommodate your schools Enrichment Class Schedule)

Classes canceled by the school due to any reason including inclement weather are not rescheduled

Full payment for the class must be received prior to the start of the sessions (except under special prior arrangements made between the school and Jaicee Designs, Inc.)
